SPEEDING INTO THE '90's

**!!! DISCOVER SHORT TRACK !!!
THE FUTURE OF SPEED SKATING !**

City of Brooklyn, Ohio

JOHN M. COYNE
MAYOR

On behalf of the Brooklyn community, I would like to extend a **warm welcome** to all involved in the **1989 National Short Track Speed Skating Competition** which is being held **March 17, 18, and 19, 1989** at the **Brooklyn Multi-Purpose Indoor Recreation Center**.

Recreation has always been a high priority in our community and we take special pride in having our center chosen to host this prestigious competition in which speed skaters from coast to coast will participate and crowds of over 1,000 are expected to attend. Greetings are likewise extended to the **Short Track Olympic Team** which will make a guest appearance during the three-day event.

The **Ohio Skating Association** is the host for this event sponsored by the **Amateur Skating Union of the United States** -- a not-for-profit organization which serves as the developmental school and training ground for future Olympians. **Special thanks** to both of these fine organizations for selecting our facility for this national competition.

I encourage Brooklyn residents and area skating enthusiasts to attend this national competition being held here. This fast-paced short track speed skating event is sure to provide thrills and excitement for participants and spectators alike. Again, **welcome to all** and **best wishes** for a successful event!

JOHN M. COYNE
MAYOR
