

NEW ENGLAND  
Outdoor  
Speed Skating Championship

JANUARY 27-28, 1962

*Sponsored by*  
WILMINGTON SKATING CLUB

*Sanctioned by*  
NORTHEASTERN SKATING ASSOCIATION

The Wilmington Skating Club takes this opportunity to welcome competitors, officials, parents and friends to the New England Outdoor Speed Skating Championships. We hope that your participation in this two-day event and your stay in Wilmington will be enjoyable.

From a modest beginning on a hockey-size outdoor rink in 1947, the Skating Club has grown in stature to a point where it now can sponsor a major event of this type. Four North American Champions, Leon "Butch" Backman, Janet Backman Tighe, Jeanne Ashworth, and Lenny Galvin, won their titles in Wilmington colors, and, as everyone knows, Jeanne won further laurels for herself, her Club, and her Country, when she captured a bronze medal in the Olympic 500-meter race in 1960.

The substantial and voluntary efforts of individual Club members have been asked for and have been given to make this one of the best Outdoor Speed Skating Championships of the 1961-62 season.

However, the membership of the Club is unanimous in its feeling that, without the generous assistance of the Town, its businesses, its service organizations, its private citizens and its friends, this skating meet would not be possible. Our thanks go out to all who helped.
